

Vincentian Family in India

I. Introduction

In the 90's, based on several experiences in different countries, the major superiors of some branches met and a persistent proposal of Vincentian collaboration emerged from that. In 1991, the then Superior General of the Congregation of the Mission, Very Rev. Robert P. Maloney, responded to the proposal by calling for the meeting of the major superiors/heads of the various communities of the Vincentian Family. The experience has been so rich. This gathering of the leaders of each branch continued once a year to promote the ties of unity and launch common actions on an international level. In order to realize the Vincentian Charism effectively here and now, the leaders urged the need of strengthening unity and collaboration, praying for one another, promoting specific Vincentian formation and finding ways of reaching together the poorest of the poor.

XII. Conclusion

Our founders, St. Vincent de Paul, St. Louise de Marillac, Blessed Frederick Ozanam, the Servant of God Jean-Léon Le Prevost, Father Kattarath, Cardinal Armand Gaston De Rohan, John Baptist Leonardi, Father John Baptist David, Mother Catherin Spalding, Mother Maria Loiusa Anglic, Pierre Joseph Triest, Mother Placide etc. were practical persons, not theoretical.

The necessities of the poor are immense. We are encumbered by a stronger commitment to the poor. The Lord is calling us to respond together. St. Vincent was conscious of the communal dimension of the service of the Gospel. He knew that by channeling our energies and growing in unity we could be more effective instruments to face the concrete needs of the poor.

Let us make the Gospel effective for the poor. Let us live with our identity as one among the Vincentian Family. Today there are new dimensions of poverty awaiting, from all of us, a response of love from God who knows them, who forgives them, who waits for them... and who loves them.
